### INFORMATION CIRCULAR

(Containing information as at March 30, 2010 unless indicated otherwise)

#### PROXY SOLICITATION AND VOTING MATTERS

##### Solicitation of Proxies

This Information Circular is furnished in connection with the solicitation of proxies by the directors (the "**Directors**") of Liquor Stores GP Inc. ("**Liquor Stores GP**"), administrator of Liquor Stores Income Fund (the "**Fund**"), on behalf of CIBC Mellon Trust Company, corporate trustee of the Fund (the "**Trustee**"), for use at the annual and special meeting (the "**Meeting**") of holders ("**Unitholders**") of trust units ("**Units**") and special voting units ("**Special Voting Units**" and together with the Units, the "**Voting Units**") of the Fund to be held in the Giverny Ballroom of Union Bank Inn, 10053 Jasper Avenue, Edmonton, Alberta, at 1:00 p.m. (Edmonton time), on Thursday, May 6, 2010, or at any adjournments thereof, for the purposes set forth in the accompanying Notice of Meeting.

It is expected that the solicitation of proxies for the Meeting will be primarily by mail, but proxies may be solicited personally, by telephone or by other means of communication by the Directors, officers and regular employees of Liquor Stores GP, as administrator of the Fund, who will not be specifically remunerated therefore. All costs of solicitation of proxies by or on behalf of the Directors will be borne by Liquor Stores GP, as administrator of the Fund.

##### Appointment of Proxies

**The persons named in the accompanying form of proxy are Directors and officers of Liquor Stores GP, the administrator of the Fund. A Unitholder desiring to appoint some other person, who need not be a Unitholder, to represent that Unitholder at the Meeting has the right to do so, either by inserting the desired person's name in the blank space provided in the form of proxy or by completing another proper form of proxy.**

A form of proxy must be in writing and signed by the Unitholder or by the Unitholder's attorney duly authorized in writing or, if the Unitholder is a body corporate or association, under its seal or by an officer or attorney thereof duly authorized indicating the capacity under which such officer or attorney is signing. If the form of proxy is executed by an attorney, evidence of the attorney's authority must accompany the form of proxy. A proxy will not be valid unless the completed form of proxy is received by Proxy Dept., CIBC Mellon Trust Company, PO Box 721, Agincourt, Ontario, M1S 0A1 (or by facsimile to 416-368-2502) not less than 48 hours before the commencement of the Meeting, or any adjournment thereof.

##### Revocation of Proxies

A Unitholder who has given a form of proxy may revoke it by an instrument in writing that is signed and delivered to CIBC Mellon Trust Company in the manner as described above so as to arrive at any time up to and including the last business day preceding the day of the Meeting, or any adjournment thereof, at which the form of proxy is to be used, or to the Chairman of the Meeting on the day of the Meeting or any adjournment thereof, or in any other manner provided by law. A revocation of a form of proxy does not affect any matter on which a vote has been taken prior to the revocation.

##### Voting of Proxies

The Director representatives designated in the enclosed form of proxy will vote or withhold from voting the Voting Units in respect of which they are appointed proxy on any ballot that may be called for in accordance with the instructions of the Unitholder as indicated on the form of proxy and, if the Unitholder specifies a choice with respect to any matter to be acted upon, the Voting Units will be voted accordingly. Where no choice is specified in the form of proxy, such Voting Units will be voted "for" the matters described therein and in this Information Circular, other than for the appointment of an auditor and the election of Directors.

The enclosed form of proxy confers discretionary authority upon the person appointed proxy thereunder to vote with respect to amendments or variations of matters identified in the Notice of Meeting and with respect to other matters that may properly come before the Meeting, other than for the appointment of an auditor and the election of Directors. In the event that

amendments or variations to matters identified in the Notice of Meeting are properly brought before the Meeting or any other business is properly brought before the Meeting, it is the intention of the Director representatives designated in the enclosed form of proxy to vote in accordance with their best judgment on such matters or business. At the time of the printing of this Information Circular, the Directors know of no such amendment, variation or other matter that may be presented to the Meeting.

## INFORMATION FOR BENEFICIAL UNITHOLDERS

These meeting materials are being sent to both registered and non-registered Unitholders. If you are a non-registered Unitholder and the Fund or its agent has sent these materials directly to you, your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the intermediary/broker holding on your behalf.

The information set forth in this section is important to all Unitholders of the Fund. Unitholders who do not hold their Voting Units in their own name are referred to in this Information Circular as "**Beneficial Unitholders**". Beneficial Unitholders should note that only a Unitholder whose name appears on the records of the Fund as a registered holder of Voting Units or a person they appoint as a proxy can be recognized and vote at the Meeting. Currently, all issued and outstanding Units are in a book-based system administered by CDS Clearing and Depository Services Inc. ("**CDS**"). Consequently, all Units are currently registered under the name of CDS & Co. (the registration name for CDS). CDS also acts as nominee for brokerage firms through which Beneficial Holders hold their Voting Units. Voting Units held by CDS can only be voted (for or against resolutions) upon the instructions of the Beneficial Unitholder.

Applicable regulatory policy requires intermediaries/brokers to whom meeting materials have been sent to seek voting instructions from Beneficial Unitholders in advance of Unitholders' meetings. Every intermediary has its own mailing procedures and provides its own return instructions, which should be carefully followed by Beneficial Unitholders in order to ensure that their Voting Units are voted at the Meeting. Often, the form of proxy supplied to a Beneficial Unitholder by its broker is identical to that provided to registered Unitholders. However, its purpose is limited to instructing the registered Unitholder how to vote on behalf of the Beneficial Unitholder. The majority of brokers now delegate responsibility for obtaining voting instructions from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**"). Broadridge typically prepares a special voting instruction form, mails those forms to the Beneficial Unitholders and asks for appropriate instructions respecting the voting of Voting Units to be represented at the Meeting. Beneficial Unitholders are requested to complete and return the voting instruction form to Broadridge by mail or facsimile. Alternatively, Beneficial Unitholders can call a toll-free telephone number or access Broadridge's dedicated voting website (each as noted on the voting instruction form) to deliver their voting instructions with respect to the Voting Units held by them. Broadridge then tabulates the results of all voting instructions received and provides appropriate instructions respecting the voting of Voting Units to be represented at the Meeting. A Beneficial Unitholder receiving a voting instruction form cannot use that voting instruction form to vote Voting Units directly at the Meeting. The voting instruction form must be returned as directed by Broadridge well in advance of the Meeting in order to have the Voting Units voted. Beneficial Unitholders who receive forms of proxies or voting materials from organizations other than Broadridge should complete and return such forms of proxies or voting materials in accordance with the instructions on such materials in order to properly vote their Voting Units at the Meeting.

In addition, the Fund has sent meeting materials directly to certain Beneficial Unitholders. By choosing to send these materials to you directly, the Fund (and not the intermediary/broker holding on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your instructions as specified in the request for voting instructions.

**Beneficial Unitholders cannot be recognized at the Meeting for purposes of voting their Voting Units in person or by way of depositing a form of proxy. If you are a Beneficial Unitholder and wish to vote in person at the Meeting, please see the voting instructions you received or contact your intermediary/broker well in advance of the Meeting to determine how you can do so.**

Beneficial Unitholders should carefully follow the voting instructions they receive, including those on how and when voting instructions are to be provided, in order to have their Voting Units voted at the Meeting.

## FUND STRUCTURE

The Fund is an unincorporated open ended, limited purpose trust established under the laws of the Province of Alberta, pursuant to the declaration of trust, originally dated August 10, 2004, as amended and restated September 1, 2008 (the “**Declaration of Trust**”). The Units of the Fund trade on the Toronto Stock Exchange under the symbol LIQ.UN. The Fund does not carry on an active business, but as at March 30, 2010 through its indirect ownership of Liquor Stores Limited Partnership (“**Liquor Stores LP**”), the Fund operates or has investments in 236 retail liquor stores in Alberta, British Columbia, Alaska, and Kentucky, and two (2) small pubs in British Columbia. Liquor Stores LP has issued ordinary (“**Ordinary LP Units**”), Exchangeable (“**Exchangeable LP Units**”) and Series 1 Exchangeable (“**Series 1 Exchangeable LP Units**”) limited partnership units. The Ordinary LP Units are held by Liquor Stores Operating Trust (the “**LSOT**”) and Liquor Barn Operating Trust (the “**LBOT**”). All of the LSOT and LBOT trust units are owned by the Fund. The Exchangeable LP Units are held by corporations and associated entities of the initial vendor group of Liquor Stores LP. Liquor World Group Inc. (“**Liquor World**”) holds 31% of the outstanding Exchangeable LP Units, The Liquor Depot Corporation (“**Liquor Depot**”) holds 11% of Exchangeable LP Units and certain shareholders of Liquor Depot hold 52% of Exchangeable LP Units. The remaining 6% of the Exchangeable LP Units are held by members of the initial vendor group not associated with Liquor World or Liquor Depot. The Series 1 Exchangeable LP Units are owned by corporations that were members of the founders group of Liquor Barn Limited Partnership.

Liquor Stores GP is the general partner of Liquor Stores LP and acts as the administrator of the Fund pursuant to an administration agreement dated September 1, 2008 between the Fund, the Trustee, and Liquor Stores GP (the “**Administration Agreement**”). Liquor Stores GP also acts as the administrator of each of LSOT and LBOT pursuant to administration agreements with the corporate trustees of each of LSOT and LBOT (the “**Operating Trust Administration Agreements**”). The principal offices of the Fund, Liquor Stores GP, Liquor Stores LP, LSOT and LBOT are located at #300, 10508 – 82 Avenue, Edmonton, Alberta, T6E 2A4.

Pursuant to the Administration Agreement, the affairs of the Fund are supervised by the nine-member board of Directors (the “**Board of Directors**” or the “**Board**”) of Liquor Stores GP. Further, the Board supervises the business and affairs of Liquor Stores GP and Liquor Stores LP.

Effective September 1, 2008, the Fund reorganized and streamlined its governance structure to include a single Board elected at the direction of the Unitholders and responsible for directing the affairs of the Fund (along with the affairs of LSOT, LBOT, Liquor Stores GP, and Liquor Stores LP). The Declaration of Trust was amended to replace trustees with a trustee, which must be a licensed trust company. Unitholders appoint the Trustee biannually and direct the Trustee as to the election of the Directors annually. CIBC Mellon Trust Company was appointed as the initial corporate trustee of the Fund on September 1, 2008 for a term of office which expires upon the conclusion of the Meeting.

The Special Voting Units are automatically cancelled when such Exchangeable LP Units and Series 1 Exchangeable LP Units are exchanged for Units.

A "record of attendance by Directors" at meetings of the Directors and their committees for the year ended December 31, 2009, is set out in Schedule "B" hereto.

Unless such authority is withheld, the Director representatives named in the accompanying form of proxy intend to vote for the election of the nominees whose names are set forth herein.

To the knowledge of the Directors, no proposed Director is, or within the ten years prior to the date hereof, has been, a director, or executive officer of any company that, while that person was acting in that capacity: (i) was the subject of a cease

trade order or similar order, or an order that denied the relevant company access to any exemption under Canadian securities legislation, for a period of more than 30 consecutive days; (ii) was subject to an event that resulted, after the director or executive officer ceased to be a director or executive officer, in the company being the subject of a cease trade or similar order or an order that denied the relevant company access to any exemption under securities legislation, for a period of more than 30 consecutive days; or (iii) or within a year of that person ceasing to act in that capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets.

To the knowledge of the Directors, no proposed Director has, during the ten years prior to the date hereof, become bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, or became subject to or instituted any proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold assets of the proposed Director.

Moreover, in the opinion of the Fund, no disclosure concerning a settlement agreement entered into by a Director before December 31, 2000, is likely to be considered important to a reasonable investor in deciding whether to vote for a proposed Director.

#### **Appointment of Auditors**

At the Meeting, Unitholders will be called upon to appoint PricewaterhouseCoopers LLP, Chartered Accountants, as auditors of the Fund, to hold office until the next annual meeting of the Fund, at a remuneration to be fixed by the Directors. PricewaterhouseCoopers LLP has been the auditor of the Fund since the inception of the Fund on August 10, 2004.

Unless such authority is withheld, the Director representatives named in the accompanying form of proxy intend to vote for the appointment of PricewaterhouseCoopers LLP, Chartered Accountants, as auditors of the Fund, to hold office until the next annual meeting of the Fund, at a remuneration to be fixed by the Directors.

The Directors recommend that the Unitholders vote for the appointment of PricewaterhouseCoopers LLP, Chartered Accountants, as auditors of the Fund, at a remuneration to be fixed by the Directors.

The information required by Form 52-110F1 of National Instrument 52-110 *Audit Committees* of the Canadian Securities Administrators, including information about the fees billed to the Fund by PricewaterhouseCoopers LLP, is contained in the Fund's Annual Information Form for the year ended December 31, 2009, under the heading "Audit Committee".

#### **Appointment of Corporate Trustee for the Fund**

At the Meeting the Unitholders will be called upon to approve the following resolution (the "**Corporate Trustee Appointment Resolution**") appointing CIBC Mellon Trust Company to serve as corporate trustee of the Fund until the expiration of the annual meeting of the Unitholders in 2012 (at a remuneration to be fixed by the Directors). CIBC Mellon Trust Company has been the corporate trustee of the Fund since the Fund's governance reorganization was completed on September 1, 2008.

"BE IT RESOLVED THAT:

- (1) CIBC Mellon Trust Company be appointed to serve as corporate trustee as the Fund, until the expiration of the annual meeting of the Unitholders in 2012; and
- (2) any one director or officer of Liquor Stores GP Inc. is hereby authorized and directed to take all necessary steps and proceedings, and to execute, deliver and file any and all documents and other instruments and to do all such other acts or things (whether under seal or otherwise) that may be necessary or desirable to give effect to the provisions of this resolution."

## Required Approvals

In order for CIBC Mellon Trust Company to be appointed to serve as trustee of the Fund, the Corporate Trustee Appointment resolution must be approved by a majority of the votes cast in respect of the resolution by Unitholders present in person or by proxy at the Meeting. **The Board recommends that Unitholders vote in favour of the Corporate Trustee Appointment Resolution. Unless otherwise directed, the persons named in the enclosed form of proxy intend to vote at the Meeting in favour of the ordinary resolution approving the Corporate Trustee Appointment Resolution.**

## ADDITIONAL INFORMATION RESPECTING THE FUND

Under applicable securities legislation, the Fund is required to provide certain information with respect to the Fund, and its corporate trustee and its officers. The Fund, however, does not directly carry on business, does not have officers and is dependent for its results on the performance of Liquor Stores LP. Liquor Stores GP not only serves as general partner of Liquor Stores LP, but is also responsible for administering the Fund and its business in accordance with the Administration Agreement. Consequently, in addition to the information relating to the Fund, this Information Circular includes information relating to Liquor Stores GP and its directors and officers.

### Administration Agreement

Under the Administration Agreement, Liquor Stores GP has agreed to provide or arrange for the provision of services required in the administration of the Fund including those necessary to: (a) ensure compliance by the Fund with its continuous disclosure obligations under applicable securities legislation; (b) provide investor relations services; (c) provide or cause to be provided to Unitholders all information to which Unitholders are entitled under the Declaration of Trust; (d) convene meetings of Unitholders and distribute required meeting materials; (e) provide for the calculation of distributions to Unitholders; (f) attend to all administrative and other matters arising in connection with any redemptions of Units; (g) use its best efforts to ensure compliance with the Fund's limitations on non-resident ownership; and (h) provide general accounting, bookkeeping and administrative services to the Fund.

Although the Administration Agreement provides for an initial term of ten (10) years (commencing September 1, 2008), the administration of the Fund under the Administration Agreement may be terminated at any time by the Fund upon notice in writing to Liquor Stores GP and upon payment to Liquor Stores GP of all costs and expenses incurred by Liquor Stores GP in terminating contracts entered into by Liquor Stores GP with the approval of the Fund for the performance by Liquor Stores GP of its duties under the Administration Agreement. All expenses incurred by Liquor Stores GP and attributable to the exercise of its duties in the administration of the Fund are the responsibility of Liquor Stores GP (and are reimbursed by Liquor Stores LP) and no fee is payable to Liquor Stores GP for the services provided by it to the Fund under the Administration Agreement.

Under the Operating Trust Administration Agreements, Liquor Stores GP has agreed to provide or arrange for the provision of certain services required in the administration of each of LSOT and LBOT, respectively, including administrative services in connection with the note indentures under which Notes of LSOT and LBOT are issued to the Fund.

## COMPENSATION DISCUSSION AND ANALYSIS

For the purposes of this Information Circular, “**Named Executive Officers**” or “**NEOs**” refers to the President & Chief Executive Officer and Vice-President Finance & Chief Financial Officer of Liquor Stores GP, and each of the three most highly compensated executive officers of Liquor Stores GP, other than the President & Chief Executive Officer and Vice-President Finance & Chief Financial Officer, who were serving as executive officers at the end of the most recently completed financial year and whose total compensation was, individually, greater than \$150,000. This Information Circular contains information with respect to six (6) of Liquor Stores GP’s officers because two (2) of these individuals (Mr. Berezniaki and Mr. Kipnes) received identical compensation in fiscal 2009.

### Compensation Committee

The Compensation Committee has the responsibility to develop and recommend to the Board of Directors policies regarding the remuneration of the executive officers of Liquor Stores GP and the development and training of their successors, as well as supervise the implementation of these policies. Annually, the Committee reviews the Fund’s compensation philosophy and guidelines and in doing so it assesses the linkage of executive compensation philosophy and executive incentive plans to the Fund’s financial and non-financial performance, support of the Fund’s business strategy, and alignment with the Fund’s general employee compensation philosophy. The Compensation Committee is comprised of six members: Gary Collins (Chair), R. John Butler, Jim Dinning, Glen H. Heximer, Robert Green and David Margolus. No member of the Compensation Committee is an officer, employee or former officer or employee of the Fund or any of its subsidiaries.

### Independent Executive Compensation Consultant

Upon recommendation of the Compensation Committee, in 2008 the Board of Directors engaged the services of Towers Perrin (predecessor to Towers Watson) as executive compensation consultants to provide independent advice to the Board on certain matters relating to executive compensation and the structure of compensation for executives of Liquor Stores GP. Working independently, Towers Perrin assessed the market competitiveness of compensation arrangements for the executive management of Liquor Stores GP and provided the Compensation Committee with data respecting the annual and long-term incentive pay practices of comparable public issuers and retail peers. Total fees and expenses paid to Towers Perrin in fiscal 2008 for its advice and written report was \$50,377. At no time has Towers Perrin provided consulting services for Liquor Stores GP or the Fund other than with respect to executive compensation. The Board of Directors did not engage an executive compensation consultant in 2009 and consequently certain benchmarks utilized by the Compensation Committee with respect to the compensation of comparative organizations have not been updated to reflect current market data.

### Executive Compensation Philosophy

The Compensation Committee's executive compensation philosophy is guided by its overall objective to obtain and retain executives critical to the success of the Fund. Specifically, Liquor Stores GP’s compensation philosophy is based upon the following three (3) fundamental principles:

1. *Compensation Programs Align with the interests of Unitholders* – Liquor Stores GP aligns the goals of executive officers with the goal of creating long-term sustainable value for Unitholders;
2. *Performance Sensitive* – Compensation for executive officers should directly correlate to the operating performance of Liquor Stores LP and to the performance of executive officers on an individual-basis; and
3. *Offer Competitive Compensation to Attract and Retain Proficient Executives* – Liquor Stores GP is dedicated to providing market competitive pay relative to comparable income trusts and other companies involved in retail business operations in order to attract new executives, and retain and develop current executives who are performing to the highest industry standards.

The key objectives of the compensation program in relation to compensation for all executive officers were developed based on the above-mentioned compensation philosophy and are as follows:

- Attract and retain high calibre executives who are able to create value in a competitive economic environment;

- To align the interests of executive officers with the interests of Unitholders;
- To evaluate executive performance using strategic corporate objectives and goals;
- To reward executives for demonstrated leadership and the execution of business plans; and
- To arrive at an overall total compensation package for executive officers which the Compensation Committee believes is in the 75th percentile of comparative income trusts and other public issuers, with base salaries for executive officers in the 50th percentile.

In assessing comparative income trusts and other public issuers, the Compensation Committee reviews data related to compensation levels and programs of numerous issuers that are either similar in size to the Fund or operate within various sectors of the Canadian retail industry. These organizations are used as the Fund's primary peer group because they have similar business characteristics and operational structures, and because they compete with the Fund for both employees and investors. Such comparative organizations include (but are not limited to) Leon's Furniture Ltd., North West Company Fund, Forzani Group Ltd., and Prizm Income Fund.

### **Executive Compensation Components**

Guided by the foregoing philosophy and objectives, Liquor Stores GP's total direct compensation program for all executives, including Named Executive Officers, is comprised of the following components: base salary, annual discretionary bonus (cash), and annual discretionary unit-based equity incentives. Descriptions of the key attributes of these components are as outlined below:

**Base Salary** – Base salaries are compensation for discharging position responsibilities and generally reflect the level of skills, expertise, and capabilities the executive demonstrates in executing his duties. The Compensation Committee and the Board of Directors review and approve the salaries of the Named Executive Officers on an annual basis. The base salary review (and any salary adjustments arising therefrom) for each NEO is based on numerous factors, including current market competitive conditions, compensation levels of comparative corporate peers, individual effectiveness, and anticipated performance of the NEO. Often, comparative data from the Fund's peer group is also compiled and analyzed. As noted above, one of the key objectives of the Fund's compensation program is that the base salary for NEO's be in the 50<sup>th</sup> percentile of comparative public companies. In determining the base salaries for each of the Vice-President Finance & Chief Financial Officer, Chief Operating Officer, and Vice-President Legal & General Counsel, the Compensation Committee considers recommendations presented by the President & Chief Executive Officer, and in determining the base salary for the President & Chief Executive Officer, the Compensation Committee considers recommendations presented by the Executive Chairman. In addition, the agreements with Mr. Bereznicki (Board Chairman and Director of Store Acquisitions and Development of Liquor Stores GP) and Mr. Kipnes (Executive Chairman of Liquor Stores GP) provide that they are to receive identical remuneration for so long as they continue to be employees of Liquor Stores GP or its affiliates, with Messrs. Bereznicki and Kipnes to make joint recommendations to the Compensation Committee and the Board of Directors of Liquor Stores GP with respect to such remuneration.

**Annual Discretionary Bonus (Cash)** – To motivate executives to achieve short-term corporate goals, each executive employment agreement contains provisions for an annual discretionary cash bonus. According to the executive employment agreements, in 2009 bonuses ranged from a maximum of 75% of base salary for the position of President & Chief Executive Officer, to 50% of base salary for each of the positions of Vice-President Finance & Chief Financial Officer and Chief Operating Officer, to 40% of base salary for the position of Vice-President Legal & General Counsel, and an entirely discretionary amount with respect to each of the Executive Chairman and Board Chairman. In August 2009, the Board of Directors approved increases in the bonus eligibility of each of the President & Chief Executive Officer (from 50% of base salary to 75%), the Vice-President Finance & Chief Financial Officer (from 40% of base salary to 50%), and the Vice-President Legal & General Counsel (from 20% of base salary to 40%).

Bonus awards are based upon a combination of pre-determined business objectives (representing approximately 75% to 85% of the bonus) and discretion of the Board of Directors and Compensation Committee (representing approximately 15% to 25% of the bonus). The Board of Directors, in consultation with the Compensation Committee and the President & Chief Executive Officer, set certain individual and corporate performance objectives during the year. In 2009, these principal objectives included:

- Achievement of specific financial results;
- Achievement of certain growth targets; and
- Completion of certain internal corporate projects relative to individual NEO job responsibilities.

Following the end of the fiscal year, the President & Chief Executive Officer presents the Compensation Committee with an assessment of overall job performance and an opinion as to the attainment of bonus criteria for each of the Vice President Finance & Chief Financial Officer, Chief Operating Officer, and Vice-President Legal & General Counsel, and provides a bonus recommendation to the Compensation Committee. The Executive Chairman performs a similar assessment and recommendation respecting the bonus for the President & Chief Executive Officer. Although the Compensation Committee and Board take into account these assessments and recommendations, the determination as to whether an identifiable target has been met is ultimately made by the Board of Directors, and the Board reserves the right to make positive or negative adjustments to any bonus payment if they consider them to be appropriate. In addition to the above, the Board of Directors often sets certain goals relative to NEO individual professional development initiatives and will also take this into consideration in assessing appropriate bonuses for NEOs.

Prior to awarding bonuses for the 2009 financial year, the Compensation Committee and the Board of Directors considered the bonus criteria in light of individual job performance and assessed each individual's bonus criteria separately, as follows:

- Mr. Crook was awarded a bonus in the amount of \$262,500. At the time of consideration of the award the Board exercised its discretion respecting eligibility and increased Mr. Crook's bonus eligibility from 75% of base salary to 100% of base salary (and the bonus awarded to Mr. Crook represents 75% of this new eligibility level). Mr. Crook's bonus was based upon the following criteria (with reference to the percentage of the bonus dependent upon each item): (i) achieving certain distributable cash targets (30%); (ii) attainment of certain new store openings and acquisitions which are accretive to EBITDA (25%); (iii) attainment of certain growth targets (20%); (iv) readiness of Liquor Stores GP's point of sale program in anticipation of 2010 roll-out (10%); and (v) Board discretion (15%).
- Mr. De Grace was awarded a bonus in the amount of \$90,000 (representing 80% of Mr. De Grace's bonus eligibility). Mr De Grace's bonus was based upon the following criteria (with reference to the percentage of the bonus dependent upon each item): (i) achieving certain distributable cash targets (30%); (ii) reorganization of certain internal policies and structures respecting Liquor Stores GP's accounting department (20%); (iii) timely reporting of financial information and continued cash management objectives (10%); (iv) readiness of Liquor Stores GP's point of sale program in anticipation of 2010 roll-out (10%); (v) attainment of certain store growth targets while maintaining current administrative costs (10%); and (vi) Board discretion (20%).
- Mr. Corbett was awarded a bonus in the amount of \$47,600 (representing 85% of Mr. Corbett's bonus eligibility). Mr. Corbett's bonus was based upon the following criteria (with reference to the percentage of the bonus dependent upon each item): (i) achieving certain distributable cash targets (30%); (ii) completion of certain acquisition goals, including the successful acquisition of the Liquor Barn Kentucky chain of retail liquor stores (20%); (iii) completion of certain internal projects (15%); (iv) timely public reporting and litigation management goals (15%); and (v) Board discretion (20%).
- Although Mr. McCaffery was an employee of Liquor Stores GP during the year-ended December 31, 2009, Mr. McCaffery's employment as Chief Operating Officer of Liquor Stores GP ceased in January 2010 and he was not an employee at the time NEO bonuses were considered and awarded by the Board. Considering the unique circumstances and based upon certain contractual obligations, in lieu of defined bonus objectives Mr. McCaffery was awarded a 2009 discretionary bonus of \$45,000 which was paid as a component of Mr. McCaffery's overall severance package. This package was provided to Mr. McCaffery in fiscal 2010.
- Pursuant to their employment agreements, each of Mr. Kipnes and Mr. Bereznicki were entitled to bonuses, however, the Board of Directors (in consultation with Mr. Kipnes and Mr. Bereznicki) opted not to award bonuses.

In finalizing the bonus awards outlined, the Board of Directors noted that for 2009, NEO base salaries were likely below the 50<sup>th</sup> percentile of comparative income trusts and other public issuers based upon certain 2008 benchmarks, save for Mr. Corbett's base salary which was slightly above the 50<sup>th</sup> percentile. Total 2009 compensation for all NEO's (including Mr. Corbett) was also below the 75<sup>th</sup> percentile of comparative income trusts and other public issuers based upon the 2008 benchmarks. Consequently this key objective of the Fund's compensation program was not met. This key objective was also not met for the year-ended 2008.

**Annual Unit-Based Incentives** – In addition to base-salary and an annual discretionary bonus, Liquor Stores GP has the further flexibility to add to overall total compensation of its executive officers (and other employees) through the use of annual unit-based incentives. Liquor Stores GP currently has in place the Unit Option Plan (“UOP”), Long Term Incentive Plan (“LTIP”), the Unit Award Incentive Plan (“UAIP”), and the 2007 Incentive Plan. All unit-based plans are designed to permit the Board of Directors to award equity-based incentives to executive officers in conjunction with (or in addition to) their annual discretionary bonus. To date, although no formal separate criteria have been developed relative to the awarding unit-based incentives outside of the restrictions contained within the incentive plans themselves, the Board of Directors assesses current industry trends and other macro-economic factors in determining whether unit-based incentives should or should not be awarded.

For 2009, the Board of Directors determined not to award any annual unit-based incentives to NEO's or to any other executive or non-executive employees of Liquor Stores GP. The Board's decision not to award any annual unit-based incentives was based upon the premise that the aggregate cash compensation received by NEO's was sufficient compensation taking into account general market conditions and Fund performance.

Please see “Incentive Plan Awards” for a detailed description of each of the UOP, LTIP, the UAIP and the 2007 Incentive Plan.

The Fund is of the view that as an income trust, the market price of the Fund's Units during the period illustrated above has been predominately affected by extraneous factors and as such does not appropriately reflect the performance of the Fund or its management team. Further, the Fund had never utilized the market price of Units as a benchmark for executive compensation. That said, although there is no direct correlation between the Fund's compensation to executive officers and the market price of Units over the same period, in each of 2006 and 2007, Unit-based awards were made to Liquor Stores GP's executive officers under the Fund's long-term incentive plans, and the value of the un-vested Units awarded to executive officers during this period fluctuates along with the market price of Units and consequently, there is some correlation between overall total compensation paid to executive officers and Unit price during this period.

- (2) Mr. McCaffery commenced employment with Liquor Stores GP on February 18, 2008. His annual salary at that time was \$180,000. In 2008 Mr. McCaffery received a one-time signing bonus of \$40,000 upon commencing his employment with Liquor Stores GP, primarily to replicate the bonus Mr. McCaffery was due to receive from his previous employer. Mr. McCaffery's 2009 bonus of \$45,000 was paid to Mr. McCaffery as a component of a severance package provided to Mr. McCaffery following cessation of his employment with Liquor Stores GP in January 2010.
- (3) Annual discretionary cash bonuses. See "Compensation Discussion & Analysis – Annual Discretionary Bonus (Cash)".
- (4) Notwithstanding the additional compensation paid to Mr. McCaffery in 2008 (as per Note (2) above), the value of perquisites received by each of the Named Executive Officers, including property or other personal benefits provided to the Named Executive Officers that are not generally available to all employees, were not in the aggregate greater than \$50,000 or 10% of the Named Executive Officer's total salary for each financial year disclosed above.

## INCENTIVE PLAN AWARDS

### The Unit Option Plan

Following approval of the Unitholders on May 6, 2009, the Fund adopted the Unit Option Plan (the "UOP"). A copy of the UOP will be made available upon request by contacting the Vice-President Finance & Chief Financial Officer of Liquor Stores GP. The UOP is intended to aid in attracting, retaining and motivating directors, officers, employees and other eligible service providers of the Fund and its subsidiaries, and to provide such persons with an incentive to continue in the long term service of the Fund and its subsidiaries, and to create in such persons a direct interest in the future success of the operations of the Fund and its subsidiaries by tying incentive compensation to increases in the value of the Trust Units of the Fund. The following is a summary of key features of the UOP:

- Under the UOP, the maximum number of the Trust Units issuable on exercise of outstanding options at any time is limited to 10% of the issued and outstanding Trust Units, less the number of Trust Units issuable pursuant to all other security based compensation arrangements of the Fund. Any increase in the issued and outstanding Trust Units will result in an increase in the number of the Trust Units that may be issued on exercise of options outstanding at any time and any exercise of options makes new grants available under the UOP.
- Options that are cancelled, terminated or expire prior to the exercise of all or a portion thereof shall result in the Trust Units that were reserved for issuance thereunder being available for a subsequent grant of options pursuant to the UOP to the extent of any Trust Units issuable thereunder that are not issued under such cancelled, terminated or expired options.
- Options granted pursuant to the UOP will have a term not exceeding five years and vest in such manner as determined by the Board. Under the UOP, the Board may at any time, at its sole discretion, accelerate or provide for the acceleration of vesting of options previously granted. Options granted under the UOP are non-assignable. The exercise price of options granted will be determined by the Board at the time of grant, provided that in no event shall the exercise price be less than the last closing price of the Trust Units on the TSX preceding the time of grant.
- Under the UOP, the number of the Trust Units reserved for issuance to any one optionee may not exceed 5% of the issued and outstanding Trust Units. In addition, the number of the Trust Units under all security based compensation arrangements of the Fund: (i) issuable to insiders at any time shall not exceed 10% of the issued and outstanding Trust Units; and (ii) issued to insiders within any one year period shall not exceed 10% of the issued and outstanding Trust Units. Also, the maximum number of Trust Units issuable on exercise of options outstanding at any time held by directors of Liquor Stores GP. who are not officers or employees of the Fund is limited to 1.0% of the issued and outstanding Trust Units.
- In case of death of an optionee, options terminate on the date determined by the Board which may not be more than 12 months from the date of death. If the optionee shall no longer be a director or officer of or be in the employ of, or a consultant or other service provider to, the Fund or any of its subsidiaries (other than by reason of death or termination for cause), his or her options terminate on the expiry of a period not in excess of six months as determined by the Board at the time of grant. In the event an optionee is terminated for cause, his or her options shall terminate immediately. The number of Trust Units that an optionee (or his or her heirs or successors) is entitled to purchase until such date of termination: (i) shall in the case of death of the optionee, be all of the Trust Units that may be acquired on exercise of the options held by such optionee (or his or her heirs or successors) whether or not previously vested and the vesting of all such options shall be accelerated on the date of death for such purpose; and (ii) in any case other than death or termination for cause, shall be the number of Trust Units which the optionee was entitled to purchase on the date the optionee ceased to be a service provider.
- Subject to the provisions of the UOP, in the event of a "change of control" (as defined in the UOP) all issued and outstanding options become exercisable (whether or not they are vested) immediately prior to the time such change of control takes place and terminate on the 90th day after the occurrence of the change of control or at such earlier time as may be established by the Board before the change of control takes place. A "change of control" includes, other than in connection with an internal reorganization: (i) a successful takeover bid pursuant to which the offeror would as a result of such takeover bid beneficially own, directly or indirectly, in excess of 50% of the outstanding Trust Units; (ii) an acquisition of ownership or control of more than 30% of the outstanding voting securities of the Fund together with a change in the majority of the Board, (iii) incumbent directors ceasing to constitute a majority of the Board, (iv) the winding-up of the Fund or the sale of all or substantially all of the assets of the Fund, and (v) any determination by a majority of the Board that a change of control has occurred or is about to occur.
- In the event: (i) of any change in the Trust Units through subdivision, consolidation, reclassification, amalgamation, merger or otherwise; (ii) that any rights are granted to Unitholders to purchase Trust Units at prices substantially below the then five-day weighted average trading price of the Trust Units on the TSX; or (iii) that, as a result of any recapitalization, merger, consolidation or other transaction, the Trust Units are converted into or exchangeable for any other securities, then the Board may make such adjustments to the UOP and to any outstanding options as the Board may, in its sole discretion, consider appropriate in the circumstances to prevent dilution or enlargement of the rights granted to an optionee.
- Except if not permitted by the TSX, if any options may not be exercised due to any Black-Out Period at any time within the three business day period prior to the normal expiry date of such options (the "**Restricted Options**"), the expiry date of all Restricted Options shall be extended for a period of seven business days following the end of the Black-Out Period (or such longer period as permitted by the TSX and approved by the Board). A "**Black-Out Period**" means the period of time when,

pursuant to any policies of the Fund, any securities of the Fund may not be traded by certain persons as designated by the Fund, including any holder of an option.

- An optionee may, under the terms of the UOP, make an offer (the "**Surrender Offer**") to the Fund, at any time, for the disposition and surrender by the optionee to the Fund (and the termination thereof) of any options for an amount (not to exceed the weighted average trading price of the Trust Units on the TSX for the five consecutive trading days immediately preceding the date of such offer less the exercise price of the options) specified in the Surrender Offer and the Fund may, but is not obligated to, accept the Surrender Offer, subject to any required regulatory approval.
- The Board may amend or discontinue the UOP at any time without the consent of a holder of options, provided that such amendment shall not alter or impair any options previously granted under the UOP (except as otherwise permitted under the UOP). In addition, the Board may, by resolution, amend the UOP and any options granted under it without Unitholder approval other than: (i) to increase the maximum number of Trust Units issuable pursuant to the UOP; (ii) to reduce the exercise price of an option held by an insider; (iii) to extend the term of an option held by an insider; or (iv) in any other circumstances where TSX and Unitholder approval is required by the TSX.

As of the date of this Information Circular, the Board of Directors have not awarded any Units under the UOP.

### **Long-Term Incentive Plan**

Taking into account the fact the Fund has implemented the UOP and the Unit Award Incentive Plan ("**UAIP**"), the Board no longer makes new awards under Liquor Stores LP's previously-established long-term incentive plan ("**LTIP**"). Although no new LTIP awards will be granted, the Fund deems it prudent to disclose the particulars of the LTIP as the LTIP will remain in existence as awards issued pursuant to the LTIP will continue to vest in the future in accordance with the plan vesting schedule.

The purpose of the LTIP was to provide key senior management of Liquor Stores GP, Liquor Stores LP and the directors, officers, and management of their affiliates with compensation opportunities that would encourage ownership of Units, enhance Liquor Stores LP's ability to attract, retain and motivate key personnel, and reward key senior management for significant performance and associated per Unit cash flow growth of the Fund. Pursuant to the LTIP, Liquor Stores LP set aside a pool of funds based upon the amount by which the Fund's per Unit distributions exceeded certain per Unit distributable cash threshold amounts. Such Units were then purchased in the market or from treasury with such pool of funds and are held until such time as ownership vests to each participant. Although the Board of Directors has determined that no new awards will be granted pursuant to the LTIP, the Compensation Committee of Liquor Stores GP currently administers the LTIP. Certain features of the treasury portion of the LTIP are summarized below:

- directors, officers and other senior management employees (as determined by the Compensation Committee) of Liquor Stores GP or one of its affiliates (including Liquor Stores LP) were eligible to participate in the LTIP;
- as at the date hereof, 51,635 Units have been issued from the Fund's treasury under the LTIP (of the 400,000 Units originally reserved for issue);
- the LTIP provided that the aggregate number of Units: (i) issued to insiders of the Fund from the Fund's treasury within any one year period; and (ii) issuable to insiders of the Fund from the Fund's treasury at any time; under the LTIP, or when combined with all of the Fund's other security based compensation arrangements (if any), could not exceed 10% of the aggregate of (iii) the Fund's issued and outstanding Units from time to time, and (iv) any issued and outstanding securities of the Fund's affiliates that are exchangeable, directly or indirectly, for Units (including the Exchangeable LP Units);
- other than as described above, the LTIP did not limit the maximum number of Units that any one person or company is entitled to receive under the LTIP;
- Units purchased from treasury under the LTIP were purchased at a price per Unit equal to the volume weighted average trading price of the Units (calculated by dividing the total value by the total volume of Units traded for the relevant period) on the TSX for the five trading days immediately preceding the date of issue of Units from treasury pursuant to the LTIP (the "**Market Price**");

- unless otherwise specified by the Compensation Committee at the time of the grant of a right to a participant in the LTIP, one-third of the Units that were the subject of a right shall vest in the participant on the date of grant and on each of the second and third anniversary of the date of grant;
- if an LTIP participant resigns or is terminated with cause, then all outstanding rights held by such participant, and all right and interest in any unvested units or distributions thereon held in the account of the participant, shall immediately expire;
- if a participant dies, becomes disabled, retires at normal retirement age or is terminated without cause, then all outstanding rights held by such participant shall expire and all right and interest in any unvested units or distributions thereon held in the account of the participant shall immediately vest in the participant. Further, on February 28, 2008, the Compensation Committee amended the vesting provisions of the LTIP units granted to each of Mr. Bereznicki, Mr. Kipnes and Mr. Crook such that any LTIP awards held by these individuals shall immediately vest upon cessation of employment with Liquor Stores GP (including termination for cause, termination without cause, resignation, or retirement). This amendment was not approved by Unitholders (as the Compensation Committee is permitted to amend certain aspects of the Plan without the approval of Unitholders);
- the interest of any participant under the LTIP or in any right granted thereunder shall not be transferable or alienable by the participant, either by pledge, assignment or in any other manner, and after his or her lifetime shall enure to the benefit of and be binding upon the participant's beneficiary;
- unless the TSX or any other regulatory authority having jurisdiction requires otherwise, the LTIP can be amended by the Compensation Committee without receiving securityholder approval in respect of all matters other than (i) increasing the maximum number of Units reserved for issuance from the Fund's treasury under the LTIP, and (ii) issuing Units pursuant to the LTIP from the Fund's treasury at an issue price lower than the Market Price of the Units at the time the Units are issued;
- if the Fund merges into any other entity or if the Fund sells the whole or substantially the whole of its assets and undertaking for securities of another trust, a corporation or other person (other than to an affiliate of the Fund) or upon any other form of business combination involving the Fund, the Fund's "fiscal year" for the purposes of the LTIP shall be deemed to end on the last day of the month prior to the effective date of the merger, business combination or sale, the "base distribution" as calculated under the LTIP shall be prorated for the number of months in the shortened fiscal year, the trustee of the LTIP shall use any funds paid to it under the LTIP to purchase or subscribe for additional Units, and all unvested Units shall vest immediately prior to the effective date of such merger, business combination or sale;
- if a takeover bid that is not exempt from the takeover bid requirements of applicable securities legislation is made for the Units, the Fund's "fiscal year" for the purposes of the LTIP shall be deemed to end on the last day of the month prior to the date the takeover bid is made, the "base distribution" for the purposes of the LTIP shall be prorated for the number of months in the shortened fiscal year, the trustee of the LTIP shall use any funds paid to it under the LTIP to purchase or subscribe for additional Units, and all unvested Units shall vest immediately. If for any reason such Units are not so tendered, or if tendered, are not, for any reason, taken up and paid for by the offeror pursuant to the takeover bid, such Units shall be unvested and returned to the trustee of the LTIP; and
- appropriate adjustments to the number of Units may be made by the Compensation Committee to give effect to adjustments in the number of Units resulting from subdivisions, consolidations or reclassifications of the Units, or other relevant changes, in the Fund. The appropriate adjustment in any particular circumstance shall be conclusively determined by the Compensation Committee in its sole discretion, subject to acceptance by the TSX, if applicable.

The LTIP provided for awards that could be earned based on the amount by which distributable cash, as defined in the Declaration of Trust, exceeded a base distribution threshold of \$1.00 per Unit per annum. The base distribution threshold was subject to adjustment by the Compensation Committee from time to time.

The percentage amount of that excess which formed the LTIP incentive pool was determined in accordance with the table below:

<b>Percentage by which Distributable Cash per Unit Exceeds Base Distribution Threshold</b>	<b>Proportion of Excess Distributable Cash Available for LTIP Payments <sup>(1)</sup></b>
5% or less .....	nil
Greater than 5% and up to 10% .....	10% of any excess over 5%
Greater than 10% and up to 20% .....	10% of any excess of 5% plus 20% of any excess over 10%
Greater than 20% .....	10% of any excess over 5%, plus 20% of any excess over 10% to 20%, plus 16.27% of any excess over 20%

Note:

- (1) Annualized for fiscal periods of less than 12 months.

The maximum number of Units issuable from the Fund's treasury under the LTIP is 400,000 Units, which represents 1.8% of total Voting Units outstanding. Of the Units issuable from treasury, 51,635 or 12.9% have been issued. The aggregate number of Units issued to insiders of the Fund from treasury within any one (1) year period and issuable to the insiders of the Fund at any time under the LTIP and all other security-based compensation arrangements cannot exceed 10% of the Fund's outstanding Units. At December 31, 2009 there were 31,038 unvested Units in the LTIP, representing 0.14% of total Voting Units outstanding. NEOs have rights to 22,252 of the unvested Units.

### **Unit Awards Incentive Plan**

On May 8, 2008, the Unitholders approved the adoption by the Fund of the Unit Award Incentive Plan (the "UAIP") which authorized the Board of Directors to grant awards ("**Unit Awards**") of restricted Units ("**Restricted Awards**") and performance Units ("**Performance Awards**") to persons, firms or corporations who are employees, officers, trustees or directors of the Fund, Liquor Stores GP, Liquor Stores LP, or any other Fund Affiliates (as defined in the UAIP) or who are consultants or other service providers to the Fund, Liquor Stores GP, Liquor Stores LP or any other Fund Affiliates ("**Service Providers**"). A copy of the UAIP will be made available upon request by contacting the Vice-President Finance & Chief Financial Officer of Liquor Stores GP. Upon approval and adoption of the UAIP, the Board ceased making awards pursuant to the LTIP.

The principal purposes of the UAIP are to retain and attract qualified Service Providers; to promote a proprietary interest in the Fund by such persons and to encourage such persons to remain in the employ or service of the Fund and put forth maximum efforts for the success of the business of the Fund; and to focus management of the Fund on operating and financial performance and long-term Unitholder return. Certain features of the UAIP are as follows:

- Under the terms of the UAIP, any Service Provider may be granted Restricted Awards or Performance Awards at the discretion of the Board of Directors;
- Each Restricted Award will entitle the holder to be issued the number of Units designated in the Restricted Award and such Units will vest and be issued as to one-third on each of the first, second and third anniversary dates of the date of grant or such earlier or later dates as may be determined by the Board of Directors;
- Each Performance Award will entitle the holder to be issued on the third anniversary of the date of grant or such earlier or later dates as may be determined by the Board of Directors, the number of Units designated in the Performance Award multiplied by a Payout Multiplier (as defined in the UAIP) which may range from a minimum of zero to a maximum of two depending on the achievement of such performance criteria as may be determined by the Board of Directors from time to time;
- A holder of a Unit Award may elect, subject to the consent of the Fund, to receive an amount in cash equal to the aggregate fair market value (as defined in the UAIP) of the Units to which the holder is entitled under his or her Unit Award in lieu of the issue of Units under such Unit Award;
- The UAIP provides for cumulative adjustments to the number of Units to be issued pursuant to Unit Awards on each date that distributions are paid on the Units by an amount equal to a fraction having as its numerator the amount of the distribution per Unit and having as its denominator the fair market value of the Units on the trading day immediately preceding the distribution payment date. Fair market value is the weighted average trading price of the Units on the TSX for the five trading days on which the Units traded immediately preceding such date;

- In the event of a change in control of the Fund, as defined in the UAIP, the vesting provisions attaching to the Unit Awards are accelerated and all unexercised Unit Awards will be issued immediately before the date upon which the change of control is completed;
- Unless otherwise determined by the Board of Directors or unless otherwise provided in a unit award agreement pertaining to a particular grant or any written employment or consulting agreement governing a grantee's role as a Service Provider, if a grantee of a unit award (a "**Grantee**") ceases to be a Service Provider as a result of termination for cause, effective as of the Cessation Date (as defined in the UAIP) all outstanding unit award agreements under which Unit Awards have been made to such Grantee, whether Performance Awards or Restricted Awards, shall be immediately terminated and all rights to receive Units thereunder shall be forfeited by the Grantee;
- If a Grantee ceases to be a Service Provider as a result of being terminated other than a termination for cause, effective as of the date that is 60 days after the Cessation Date, and notwithstanding any other severance entitlements or entitlement to notice or compensation in lieu thereof, all outstanding unit award agreements under which Unit Awards have been made to such Grantee, whether Performance Awards or Restricted Awards, shall be terminated and all rights to receive Units thereunder shall be forfeited;
- If a Grantee voluntarily ceases to be a Service Provider as a result of the Grantee's voluntary resignation (excluding retirement) effective as of the day that is two weeks after the Cessation Date, all outstanding unit award agreements under which Unit Awards have been made to such Grantee shall be terminated, whether Performance Awards or Restricted Awards, and all rights to receive Units thereunder shall be forfeited;
- If a Grantee ceases to be a Service Provider as a result of such Grantee's retirement or death, all Units awarded to such Grantee under any outstanding Unit Award Agreements shall be issued as of the Cessation Date;
- Except in the case of death, the right to receive Units pursuant to a Unit Award granted to a Service Provider may only be exercised by such Service Provider personally. In the case of death, the right to receive Units may be exercised by the Service Provider's estate;
- Except for limited circumstances provided in the UAIP, no assignment, sale, transfer, pledge or charge of a Unit Award, whether voluntary, involuntary, by operation of law or otherwise, vests any interest or right in such Unit Award whatsoever in any assignee or transferee and, immediately upon any assignment, sale, transfer, pledge or charge or attempt to assign, sell, transfer, pledge or charge, such Unit Award shall terminate and be of no further force or effect;
- The UAIP provides that the maximum number of Units reserved for issuance from time to time pursuant to Unit Awards and under any other security based compensation arrangements established by the Fund at any time shall not exceed in the aggregate a number of Units equal to 3% of the aggregate of: (i) the number of issued and outstanding Units; plus (ii) the number of Units issuable upon exchange of outstanding exchangeable securities of the Fund, if any. Currently this maximum would be 676,709 units;
- The aggregate number of Unit Awards granted to any single Service Provider may not exceed 5% of the issued and outstanding Units, calculated on an undiluted basis. In addition: (i) the number of Units issuable to insiders at any time, under all security based compensation arrangements of the Fund, may not exceed 10% of the issued and outstanding Units on an undiluted basis; and (ii) the number of Units issued to insiders, within any one year period, under all security based compensation arrangements of the Fund, may not exceed 10% of the issued and outstanding Units on an undiluted basis. The number of Units issuable pursuant to the UAIP to non-management directors and trustees is limited to a maximum of 0.5% of the issued and outstanding Units and exchangeable securities;
- The Fund has the right to amend from time to time or to terminate the terms and conditions of the UAIP by resolution of the Board of Directors without notice or approval from Unitholders other than for certain amendments specified in the UAIP;
- Under the amended UAIP, the following amendments require Unitholder approval: (i) increase the maximum percentage limit on the number of Units that may be reserved for issuance from time to time under the UAIP, (ii) increase the permitted level of insider or non-employee director or trustee participation under the UAIP, (iii) increase the Payout Multiplier under the UAIP to greater than two, (iv) extend the term of any Unit Award under the UAIP held by an

insider, and (v) amend the amendment provisions. All other amendments to the UAIP could be made at the discretion of the Board. Any amendments are subject to the prior consent of any applicable regulatory bodies, including the TSX. Any amendment to UAIP will take effect only with respect to Unit Awards granted after the effective date of such amendment, provided that it may apply to any outstanding Unit Awards with the mutual consent of the Fund and the Service Providers to whom such Unit Awards have been made; and

- Under the UAIP, unvested awards are forfeited in the following circumstances: termination for cause, termination not for cause, and voluntary resignation. Awards vest immediately upon retirement or death of a Service Provider. In the event of a Change of Control, the Fund and the acquirer will execute such instruments and do such things as may be necessary to establish that upon the consummation of such transaction, the acquirer will assume the covenants and obligations of the Fund.

As of the date of this Information Circular, the Board of Directors have not awarded any Units under the UAIP.

### 2007 Incentive Plan

In 2007, Liquor Stores LP established a long-term incentive plan (“**2007 Incentive Plan**”) to reward key senior management (“**2007 Incentive Plan Participants**”) of Liquor Stores GP in respect of their 2006 performance with a special one-time discretionary bonus, to encourage ownership of Units, and to retain and motivate key personnel. On March 7, 2007 a one-time deferred bonus was approved under the 2007 Incentive Plan of \$950,000 to be paid out in Units and vest as to one-third on each of January 7, 2008, January 7, 2009 and January 7, 2010. Named Executive Officers received 33,234 out of 43,851 Units granted under the award to 2007 Incentive Plan Participants. On January 7, 2008, 11,077 Units vested, on January 7, 2009, 11,077 Units vested and the remaining 11,080 Units awarded to Named Executive Officers representing \$239,993 vested on January 7, 2010. Certain features of the 2007 Incentive Plan are as follows:

- Liquor Stores GP acts as trustee of the 2007 Incentive Plan (“**Plan Trustee**”) and the Compensation Committee administers the Plan;
- In the event the Fund merges into any other entity or if the Fund shall sell the whole or substantially the whole of its assets and undertaking for securities of another trust, a corporation or other person (other than to an affiliate of the Fund) or upon any other form of business combination involving the Fund, all unvested Units granted pursuant to the 2007 Incentive Plan shall vest immediately prior to the effective date of such merger, business combination, or sale;
- If a take-over bid (as defined in the *Securities Act* (Alberta)) that is not exempt from the take-over bid requirements of the *Securities Act* (Alberta) is made for the units of the Fund, all unvested units granted pursuant to the 2007 Incentive Plan shall vest immediately. If for any reason the units granted under the 2007 Incentive Plan are not tendered in relation to the take-over bid, or, if tendered but not taken up and paid for by the offeror pursuant to the take-over bid, such Units shall be and shall be deemed to be unvested and will be returned to the Plan Trustee. The Plan Trustee has the ability to make appropriate adjustment to the number of Units granted under the Plan to give effect to adjustments in the number of Units resulting from subdivisions, consolidations, or reclassification of the Fund’s units (or other relevant changes in the Fund);
- In the event a 2007 Plan Participant ceases employment with Liquor Stores GP (whether by resignation or termination with cause) then all right and interest of such participant in any unvested Units granted pursuant to the 2007 Incentive Plan (or any distributions arising therefrom) shall immediately expire and the Plan Trustee shall sell such units in the market and pay any proceeds to Liquor Stores GP;
- If a 2007 Plan Participant dies, becomes disabled, retires at normal retirement age, or is terminated without cause, then all unvested Units held by such participant shall immediately vest and the Plan Trustee shall deliver such units to the 2007 Plan Participant;
- The interests of any 2007 Plan Participant under the 2007 Incentive Plan are not transferable nor capable of pledge or assignment, and after his or her lifetime shall enure to the benefit of and be binding upon the 2007 Plan Participant’s designated beneficiary or estate; and

- The 2007 Incentive Plan may be amended, suspended or discontinued at any time, by the Compensation Committee (subject to the receipt of any required regulatory approvals), without notice or approval of the Unitholders. No amendment, suspension, or discontinuance of the Plan may contravene the requirements of the Toronto Stock Exchange, any rules of the Toronto Stock Exchange and any applicable laws.

No further grants of rights are allowable under the 2007 Incentive Plan agreement. At December 31, 2009 there were 13,232 unvested Units in the 2007 Incentive Plan, representing 0.06% of total Units outstanding.

At December 31, 2009, unvested Units under both the LTIP and 2007 Incentive Plan represented 0.2% of total outstanding Units. NEO's have rights to 75.3% of these unvested Units.

## EMPLOYMENT AGREEMENTS

Each of Richard J. Crook, Patrick de Grace, Irving Kipnes, Henry Bereznicki, and Craig Corbett have entered into employment agreements with Liquor Stores GP (collectively, the “**Employment Agreements**”). Mr. McCaffery’s employment agreement with Liquor Stores GP was terminated on January 8, 2010. The Employment Agreements prescribe the terms of the respective employment for each of Messrs. Crook, de Grace, Kipnes, Bereznicki and Corbett, and set out their base salary and eligibility for incentive-based awards (annual discretionary bonus and annual discretionary equity-based incentives). The annual salary of each Named Executive Officer is reviewed annually in the manner described in the Compensation Discussion and Analysis, however the agreements with Messrs. Bereznicki and Kipnes provide that they are to receive identical remuneration for so long as they continue to be employees of Liquor Stores GP or its affiliates, with Messrs. Bereznicki and Kipnes to make joint recommendations to the Board of Directors of Liquor Stores GP with respect to such remuneration. The payment of annual discretionary bonuses and annual equity-based incentives is at the discretion of the Board of Directors of Liquor Stores GP, but is determined in accordance with the methodology described in the Compensation Discussion and Analysis.

### Termination and Change of Control Benefits

For the purposes of this section, a “Change of Control” means that some person or group of persons (other than those individuals constituting the initial vendor group of Liquor Stores LP), acting in concert, acquire fifty (50%) percent of more of the voting Units of the Fund, additionally a receivership or bankruptcy shall be deemed to be a “Change of Control.”

**Mr. Bereznicki and Mr. Kipnes’ Employment Agreements** - The employment agreements with Messrs. Bereznicki and Kipnes continue until December 31, 2010 and contain certain termination provisions, none of which trigger the payment of compensation or benefits to either of Mr. Bereznicki or Mr. Kipnes. These employment agreements do not contain Change of Control provisions.

**Mr. Crook’s Employment Agreement** - The employment agreement with Mr. Crook is for an indefinite term and contains the following termination provisions:

- Liquor Stores GP may terminate the agreement by notice in writing for just cause and without any additional payments;
- Mr. Crook may terminate his agreement at any time and for any reason on not less than thirty (30) days written notice without any additional payments by Liquor Stores GP; and
- Liquor Stores GP may terminate the agreement without cause on payment of an amount equal to two (2x) times Mr. Crook's average annual remuneration (including salary, bonus, value of long term equity-based incentive plan awards and benefits) over the preceding three (3) years. The estimated value of Mr. Crook’s payment in this termination scenario is set forth below under “Termination and Change of Control Benefits - Value of Control Payments”.

In addition to the foregoing, in the event that as a result of a Change of Control and within one (1) year of the date of such Change of Control, the Agreement is terminated by either Liquor Stores GP or Mr. Crook, then in either event Mr. Crook is entitled to a payment of an amount identical to the amount payable by Liquor Stores GP upon Mr. Crook’s termination without cause.

**Mr. de Grace's Employment Agreement** - The employment agreement with Mr. de Grace is for an indefinite term and contains the following termination provisions:

- Liquor Stores GP may terminate the agreement by notice in writing for just cause and without any additional payments;
- Mr. de Grace may terminate his agreement at any time and for any reason on not less than ninety (90) days written notice without any additional payments by Liquor Stores GP; and
- Liquor Stores GP may terminate the agreement without cause on payment of an amount equal to one and one-half (1.5x) times Mr. de Grace's average annual remuneration (including salary, bonus, value of long term equity-based incentive plan and benefits) over the preceding three (3) years. The estimated value of Mr. de Grace's payment in this termination scenario is set forth below under "Termination and Change of Control Benefits - Value of Termination & Change of Control Payments".

In addition to the foregoing (and similar to the arrangement with Mr. Crook), in the event that as a result of a Change of Control and within one (1) year of the date of such Change of Control the Agreement is terminated by either Liquor Stores GP or Mr. de Grace, then in either event Mr. de Grace is entitled to a payment of an amount identical to the amount payable by Liquor Stores GP upon Mr. de Grace's termination without cause.

**Mr. McCaffery's Employment Agreement** – Although his employment with Liquor Stores GP Inc. ceased on January 8, 2010, the employment agreement for Mr. McCaffery was for an indefinite term and contained the following termination provisions:

- Liquor Stores GP had the ability terminate the agreement by notice in writing for just cause and without any additional payments;
- Mr. McCaffery had the ability to terminate his agreement at any time and for any reason on not less than ninety (90) days written notice without any additional payments by Liquor Stores GP; and
- Liquor Stores GP was permitted to terminate the agreement without cause on payment of an amount equal to one (1x) times Mr. McCaffery's average annual remuneration (including salary, bonus, value of long term equity-based incentive plan and benefits) over the preceding year. Upon termination of his employment agreement in January 2010, Liquor Stores GP Inc. provided Mr. McCaffery with a severance package in the aggregate amount of \$282,100 (which included a bonus award in the amount of \$45,000 for fiscal 2009).

**Mr. Corbett's Employment Agreement** - The employment agreement for Mr. Corbett is for an indefinite term and contains the following termination provisions:

- Liquor Stores GP may terminate the agreement by notice in writing for just cause and without any additional payments; and
- Mr. Corbett may terminate his agreement at any time and for any reason on not less than ninety (90) days written notice without any additional payments by Liquor Stores GP.

Mr. Corbett's employment agreement does not contain provisions requiring a payment by Liquor Stores GP Inc. in the event of a termination without just cause (save for any statutory payments required by applicable employment laws) and his agreement does not contain a Change of Control provision.

## Value of Payments

The approximate value of the payments triggered upon certain termination scenarios (as outlined above, including a Change of Control) respecting each of Messrs. Crook and de Grace are as follows:

Name	Total Remuneration				Multiplier	Termination and/or Change of Control
	2009	2008	2007	Average		Payment
	(\$)	(\$)	(\$)	(\$)		(\$)
Richard J. Crook <sup>(1)</sup>	624,023	527,365	700,000	617,129	2	1,234,258
Patrick J. de Grace <sup>(1)</sup>	321,914	305,169	420,000	349,027	1.5	523,541

Notes:

- (1) Total remuneration includes all amounts paid and payable to individuals in respect of salary, cash-based bonuses and employee benefits. Also included are long term equity-based incentive plan awards granted in respect of the year indicated plus all cash distributions earned on vested Units during the year.

## Value of Equity-Incentive Plan Vesting

In addition to the foregoing, in the event of a Change of Control or termination without cause, all unvested Units and associated cash distributions within the LTIP and the 2007 Incentive Plan vest immediately. Further, as disclosed above under "Incentive Plan Awards – Long Term Incentive Plan," in the event of a cessation of employment for either of Mr. Bereznicki, Mr. Crook or Mr. Kipnes (whether or not this cessation of employment arises from termination for cause or by virtue of resignation or retirement), all unvested LTIP Units (but not 2007 Incentive Plan Units) awarded to these individuals shall vest immediately.

Assuming a December 31, 2009 Change of Control or termination without cause, the NEOs would be entitled to the following disbursements from the incentive plans:

Name	LTIP Units at December 31, 2009 (#)	LTIP Market Value of Units at December 31, 2009 <sup>(1)(3)</sup> (\$)	2007 Incentive Plan Units at December 31, 2009 (#)	Total Units at December 31, 2009 (#)	Market Value of Total Units <sup>(1)</sup> (\$)	Cash Distributions (\$) <sup>(2)</sup>	Total (\$)
Richard J. Crook <sup>(3)</sup>	6,181	96,733	3,078	9,259	144,903	15,000	159,903
Patrick J. de Grace	3,709	58,046	1,846	5,555	86,936	8,999	95,935
Irving Kipnes <sup>(3)</sup>	6,181	96,733	3,078	9,259	144,903	15,000	159,903
Henry Bereznicki <sup>(3)</sup>	6,181	96,733	3,078	9,259	144,903	15,000	159,903
Craig D. Corbett	-	-	-	-	-	-	-

Notes:

- (1) Market value is based on the December 31, 2009 Unit closing price of \$15.65.  
(2) Cash distributions represent cash distributions earned on unvested Units within the LTIP and 2007 Incentive Plans during 2009.  
(3) In addition to the total incentive plan disbursements triggered upon a Change of Control or a termination without cause, in the event of a cessation of employment for either of Mr. Crook, Mr. Bereznicki or Mr. Kipnes arising from a termination for cause, or by virtue of resignation or retirement, all unvested LTIP Units (but not 2007 Incentive Plan Units) awarded to these individuals shall vest immediately.

Except as described above, there is no compensatory plan, contract or arrangement where a Named Executive Officer is entitled to receive more than \$100,000 from the Fund or its subsidiaries, including periodic payments or instalments, in the event of the resignation, retirement or any other termination of the Named Executive Officer's employment, a Change of Control of the Fund or any of its subsidiaries or a change in the Named Executive Officer's responsibilities following a Change in Control.

## DIRECTOR COMPENSATION

### Director Fees and Deferred Unit Plan

The Directors are compensated partly in fees (cash) and partly in deferred Units under a deferred unit plan (the “**Deferred Unit Plan**”) established in 2006. No additional forms of compensation are provided.

In 2009, taking into account the market conditions and the relatively uncertain economic climate that existed at that time, based upon the recommendation of the Governance Committee, the Board of Directors reduced the annual cash compensation for non-employee Directors by 10% to \$54,000 (a reduction of \$6,000 from fiscal 2008 cash compensation) and equity-based compensation was reduced by 10%. At their option, Directors may elect to receive a portion of their cash fees in deferred Units under the Deferred Unit Plan. In addition to any amounts elected to be paid in deferred Units, non-employee Directors are awarded deferred Units, and in fiscal 2009 the amount of deferred Units awarded to each non-employee director was 900 Units (a 10% reduction from the 1,000 Units awarded to each in fiscal 2008). No additional fees are paid for attending meetings of the Board, or serving as Chair of any committee of the Board.

Certain features of the Deferred Unit Plan are as follows:

- All non-employee Directors are eligible to participate in the Deferred Unit Plan, the purpose of which is to enhance the ability of the Fund to attract and retain non-employee Directors whose training, experience and ability will promote the interests of the Fund and to align the interests of such non-employee Directors with the interests of Unitholders;
- The Deferred Unit Plan is administered by the Governance Committee;
- The Deferred Unit Plan is designed to permit such non-employee Directors to defer the receipt of all or a portion of the cash compensation otherwise payable to them. The Deferred Unit Plan allows the Directors to elect to receive up to 50% of their cash compensation as an award of deferred units;
- Deferred Unit means the right to receive the settlement amount under an award made pursuant to the Deferred Unit Plan. The award will be settled in cash equal to the aggregate current market value of the units and based on the closing price of the units on the TSX on the trading day immediately preceding the payment date (the Fund also has the option to settle the amount in Units, in which case the number of Units that are issuable on the settlement date shall be acquired by Liquor Stores GP on the TSX, or from the Fund, as an issuance of treasury Units, or a combination thereof, provided that the aggregate number of Units that may be so acquired on the TSX within any 12 month period shall not exceed 5% of the outstanding Units as at the beginning of such period;
- Deferred Units credited to participants are subject to adjustment based on the Fund’s per Unit distributions and settlement in cash, or at the Funds option, Units, on the earlier of three years following the award date or the date the participant ceases to be a Director;
- In the event: (i) of any change in the Units through subdivision, consolidation, reclassification, amalgamation, merger or otherwise; (ii) that any rights are granted to Unitholders to purchase Units at prices substantially below fair market value; or (iii) that, as a result of any recapitalization, merger, consolidation, or other transaction, the Units are converted into or exchangeable for any other securities; then in any such case the Board may make adjustments to the Deferred Unit Plan, to any awards made under the Deferred Units Plan and to any accounts held by Directors with respect thereto, as the Board may, in its sole discretion, consider appropriate in the circumstances to prevent dilution or enlargement of the rights granted to participants in the Deferred Unit Plan;
- Further, in the event the Fund enters into any transaction or series of transactions whereby the Fund or all or substantially all of the Fund’s undertaking, property or assets would become the property of another trust, body corporate partnership, or other person, by way of take-over bid, acquisition, reorganization, consolidation, amalgamation, arrangement, merger, transfer, sale or otherwise, the successor to the Fund will execute all such instruments and do such things as the Fund considers necessary to establish that upon the consummation of such transaction the successor will have assumed all covenants and obligations of the Fund under the Deferred Unit Plan and in respect of awards granted pursuant to the Deferred Units Plan in a manner that substantially preserves and does not impair the rights of the participants thereunder in any material respect;

- The right to receive deferred units is personal to Directors and may not be assigned (although Directors may request that settlement payments be issued to other individuals as the Directors may so direct); and
- The Fund retains the right to amend from time to time or to terminate the terms and conditions of the Plan by resolution of the Board of Directors. Any amendments shall be subject to the prior consent of any applicable regulatory bodies.

In connection with the adoption of the Deferred Unit Plan and to further and better align the interests of the Directors with those of the Unitholders, the Board of Directors adopted a policy that Directors must hold an aggregate minimum \$80,000 of Units and deferred Units, with such amounts to be acquired by November 8, 2011. At the date hereof, all of the Directors hold in excess of this minimum requirement.

The Fund and Liquor Stores GP reimburse Directors for out-of-pocket expenses for attending meetings. No directors' compensation is paid to Directors who are employees or members of management of Liquor Stores GP or Liquor Stores LP.

The aggregate amount earned by the Directors of Liquor Stores GP as cash compensation, in their capacity as such, during the fiscal year ended December 31, 2009, was \$265,502 and awards of deferred Units aggregated 13,276 Units with a market value of \$207,788, representing 0.06% of total outstanding Units at December 31, 2009, based on the closing price of the Units on December 31, 2009, of \$15.65. Vested awards settled in cash during 2009 totalled \$17,282. At December 31, 2009 there were 39,154 unvested deferred Units, representing an amount equivalent to 0.17% of total outstanding Units.

**Directors' Outstanding Unit-Based Awards**

The following table sets forth for each of our Directors, other than Directors who are also Named Executive Officers, all Unit-based awards outstanding at December 31, 2009:

**DIRECTORS' AND OFFICERS' LIABILITY INSURANCE**

The Fund and its subsidiaries maintain numerous policies of executive protection insurance for its directors and officers. The aggregate limit of liability under the executive protection policies is \$36 million. The Fund's policies include primary and excess executive protection policies, stand-alone policies relative to employment practices liability coverage, fiduciary liability coverage and employed lawyer coverage. Under the executive protection policies, each entity has reimbursement coverage to the extent that it has indemnified the directors and officers in excess of a predetermined deductible (such deductible being \$50,000 in

relation to the primary executive protection policy). This primary executive protection policy includes securities claims coverage, insuring against any legal obligation to pay on account of any securities claims brought against the Fund and its subsidiaries. Although the stand-alone policies relative to employment practices, fiduciaries and employed lawyers contain coverage limits that are specific to those policies, the total limit of liability under the general primary and excess executive protection policies is shared among the insured entities and their respective directors and officers so that the limit of liability is not exclusive to any one of the entities or their respective directors and officers. The annual aggregate premium for all director & officer insurance in the current financial year is \$145,250. The premiums for the policies are not allocated between the insured directors and officers as separate groups.

## SCHEDULE "A"

### STATEMENT OF CORPORATE GOVERNANCE PRACTICES

National Instrument 52-110 *Audit Committees* (the "**CSA Audit Committee Rules**") include requirements regarding audit committee composition and responsibilities, as well as reporting obligations with respect to audit related matters. Reference is made to the section entitled "Audit Committee" of the Annual Information Form of the Fund dated March 3, 2010, available on SEDAR at [www.sedar.com](http://www.sedar.com) and which may be obtained free of charge, on request, from the Corporate Secretary of Liquor Stores GP.

National Policy 58-201 *Corporate Governance Guidelines* (the "**CSA Governance Policy**") provides guidance on governance practices for Canadian issuers and National Instrument 58-101 *Disclosure of Corporate Governance Practices* (the "**CSA Disclosure Instrument**") requires issuers to make prescribed disclosure regarding their governance practices. The Fund believes that its corporate governance practices (as reflected in the corporate governance practices of Liquor Stores GP, administrator of the Fund) meet the requirements of the CSA Disclosure Instrument and the CSA Governance Policy, as illustrated in the disclosure made hereunder.

Because of the Fund's structure, its approach to governance is best addressed by the board of directors (the "**Board of Directors**" or the "**Board**") of Liquor Stores GP. The Fund is a trust created to hold, directly or indirectly, the securities of Liquor Stores LP and does not conduct any active business. The active business of Liquor Stores LP is managed by Liquor Stores GP, as general partner of Liquor Stores LP. The business of Liquor Stores GP is overseen by the Board of Directors and its committees. The Board is, in effect, responsible for the overall stewardship and governance of the Fund, Liquor Stores GP and Liquor Stores LP, and has put in place standards and benchmarks by which that responsibility can be measured.

1) Board of Directors of Liquor Stores GP		
a) Disclose the identity of directors who are independent.	Yes	Of the nine (9) members of the Board of Directors of Liquor Stores GP, six (6) directors are "independent" within the meaning of the CSA Disclosure Instrument. They are R. John Butler, Gary Collins, Jim Dinning, Glen H. Heximer, Robert S. Green and David Margolus. Mr. Green together with his associates and affiliates is, directly or indirectly, a shareholder of one of the vendors from whom Liquor Stores LP acquired the business on September 28, 2004 and which continue to hold exchangeable partnership units of Liquor Stores LP and special voting units of the Fund. Mr. Margolus, together with his associates and affiliates, is, directly or indirectly, a former shareholder of one of the vendors from whom Liquor Stores LP acquired the business on September 28, 2004, and indirectly continues to hold exchangeable partnership units of Liquor Stores LP and special voting units of the Fund. Mr. Margolus is also counsel to Witten LLP, which is one firm of several that receives fees for legal services provided to the Fund and its subsidiaries. The Directors have concluded, however, that these relationships cannot reasonably be expected to interfere with the exercise of independent judgement by Messrs. Green and Margolus and accordingly that each of Mr. Green and Mr. Margolus are "independent" within the meaning of the CSA Disclosure Instrument.

The Board seeks to discharge such responsibility by reviewing and discussing the strategies and plans of management ("**Management**") of the GP and its subsidiaries and supervising Management, monitoring the performance of the LP and its subsidiaries, exercising its voting and management rights as the general partner of the LP, and ensuring all responsibilities set forth in the Administration Agreement are fulfilled.

The Board is responsible for establishing and maintaining a culture of integrity in the conduct of the affairs of the GP (and the affairs of the Fund pursuant to the Administration Agreement). The Board seeks to discharge this responsibility by satisfying itself as to the integrity of the senior management of the GP, and by overseeing and monitoring Management to ensure a culture of integrity is maintained.

Although directors may be nominated or elected by the Trustee (at the direction of the Fund unitholders) to bring special expertise or a point of view to Board deliberations, they are not chosen to represent a particular constituency. The best interests of the GP and its shareholders (and the Fund and its unitholders) must be paramount at all times.

**Duties of Directors**

The Board discharges its responsibilities directly and through its committees, the Compensation Committee, the Governance Committee and the Audit Committee. In addition to these regular committees, the Board may appoint ad hoc committees periodically to address certain issues of a more short-term nature. In addition to the Board's primary role of overseeing the affairs of the GP, principal duties include, but are not limited to the following categories, all subject to the terms of the Governance Agreements:

**Oversight Responsibility**

1. The Board has the responsibility for approving the appointment of the Executive Chairman, Board Chairman, Chief Executive Officer and any other officers of the GP (collectively, the "**GP Officers**"), and approving the compensation of the Executive Chairman, Board Chairman, Chief Executive Officer and other officers and employees of the GP following a review of the recommendations of the Compensation Committee.
2. The Board has delegated authority to the Chief Executive Officer for the overall management and operations of the GP, to ensure the long term success of the GP. The Board has also delegated the responsibility to ensure that all Governance Agreements are complied with to the Executive Chairman and Chief Executive Officer. 3. The Board may from time to time delegate authority to the GP Officers, subject to specified limits. Matters that are outside the scope of the authority delegated to the GP Officers and material transactions are reviewed by and subject to the prior approval of the Board.
4. The Board is responsible for monitoring the performance of Management with respect to the operations of the GP and with respect to compliance with the Governance Agreements.

### **Monitoring of Financial Performance and Other Financial Reporting Matters**

5. The Board has oversight responsibility for reviewing and questioning the strategies and plans of the GP and the LP.
6. The Board has oversight responsibility for reviewing systems for managing the principal risks of the GP's business including insurance coverages, conduct of material litigation and the effectiveness of internal controls.
